2. FBIS considers these firm requirements calling for the fullest  
 possible response. You should use this plan as a guide to selection,  
 processing, and publication of relevant material.

3. For the bureaus: The classified version of the collection  
 objectives and statement of the collection problem are included for  
 the information of FBIS staff personnel in the bureaus. There is no  
 need to retain this classified material in the bureaus after it has  
 been read, since the Official Use Only version of the collection  
 objectives should provide sufficient selection and processing guidance  
 to bureau editors and monitors. The Office of HUMINT Collection has  
 emphasized the need to control these documents to prevent unauthorized  
 disclosure outside the bureau. The OOU objectives may be shown to non-  
 staff personnel, but staff personnel must ensure that they are adminis-  
 tratively controlled within the bureau.
